Dear

Thank you very much for your letter of 19 April concerning your desire to join the Central Intelligence Agency.

I have asked our Director of Personnel to look into the possibilities of employment for you and you should hear something from him very shortly. As you may be aware, our organization has now reached a point where our personnel situation has considerably stabilized. As a consequence, we have found it necessary to restrict our recruitment to clerical personnel and junior officers except on infrequent occasions when there is a specific need for a man with particular attainments in our field of work. In any event, I am most appreciative of your writing to me about this and I hope that something may come of it.

With kindest regards,

Sincerely,

SIGNED
